## **What is Pupil Premium?**

Pupil Premium (PP) is a sum of money received by grant maintained schools in addition to their main school funding. It was introduced by the Government in April 2011 to help raise the attainment of our most disadvantaged pupils. The aim of the funding is to address any underlying inequalities between pupils of low income families and their peers and enable schools to support vulnerable children to make the best possible progress within school year on year.

The sum of money allocated to each school is calculated from the data submitted during the October and January Census returns. Each school must decide how their PP money is spent. This will depend, primarily, on the needs of the pupils but will also be influenced by the school's knowledge of past successes, the impact of previous interventions, the best use of resources and the influence of wider opportunities for pupils on their well-being and subsequent progress.

Each year the Government holds schools to account, via the 'Office for Standards in Education' (Ofsted), for how the additional PP funding has been spent and what the impact of the spending has been in terms of pupil outcomes i.e. achievement, progress and well-being of PP children. The School's Governing body, therefore, is required to monitor the spending and subsequent impact of PP spending, throughout the year, and Parents must be informed about how PP money is being spent in their child's school via, for example, the school website.

***N.B If you feel that you may be eligible for PP funding for your child please make enquiries at the school office where they will be happy to help.***

**Weddington Primary School – Pupil Premium Statement 2017/2018**

*At Weddington Primary School we are committed to using our Pupil Premium funding to support disadvantaged pupils so that they can achieve their best possible outcomes. We offer ‘tailored and specific support’ to each individual child.*

*# Every child, every chance, every day 😊*

<b>Breakdown of Pupil Premium Funding allocated for 2017/18</b>			
<b>(Pupils on roll = 414)</b>	<b>Current Number in School</b>	<b>Funding Allocation per Child</b>	<b>Total</b>
Number of pupils eligible for pupil premium funding	34 ( of school)	£1,320	£44,880
Number of Children who are Looked After	0	N/A	N/A
Children Adopted From Care	1	£1,900	£1,900
Service Children	2	£300	£600
<b>Total</b>	<b>37 pupils</b>	<b>£47,380</b>	

**Main barriers to educational achievement faced by pupils eligible for pupil premium at school**

The main barriers to educational achievement are:

- Social and emotional wellbeing
- Parental engagement and support
- Access to enrichment opportunities such as music lessons, school trips/visits and sports clubs

**Our Pupil Premium Strategy**

At Weddington Primary School we use the pupil premium grant to raise attainment and maximise achievement through a range of approaches which are funded/partially funded by the pupil premium grant. These include:

- Learning mentor support to improve attendance and punctuality and to support children’s emotional and social wellbeing
- Additional classroom and lunchtime support for children with social and emotional barriers and/or SEN;
- Teacher and teaching assistant led intervention and booster groups for pupils to reach expected levels or reach greater depth;
- School trips fund to enable disadvantaged pupils to access offsite activities;
- Extra-curricular funding to enable disadvantaged pupils to attend before and after school provision and clubs

In 2017/18 we used the PP funding in the following way:

Expenditure	Description	Desired Outcome	Intervention/nature of support	IMPACT/ How we will measure (July 2018)
<b>£25,365</b> <b>Full time Learning mentor</b>	Targeted support from Learning Mentor; Social Skills groups, lunchtime support for pupils with social and emotional needs, games clubs, Early	For attendance to be in line with the national average or better.  For pupils with emotional and behavioural needs to receive targeted support	The school has a LEARNING MENTOR who works with children and families on a one-to one basis or in small groups. Her role is to improve attendance, punctuality support children’s emotional and social needs, lead CAFs/Early help, support families in times of crisis and liaise with other	<ul style="list-style-type: none"> <li>• 19/37 = 51% of PP pupils accessed the learning mentor support</li> <li>• Out of the children eligible for pupil premium 81% had attendance above 95% as opposed to 46% last year</li> <li>• 34% of our pupil premium pupils had 100% attendance</li> </ul>

Part funded and, in some cases, fully funded by PP funding</li> <li>• Funded trips to Cadbury's world, the Year 6 residential and Baumanor Hall</li> </ul> <p><b><i>NB - swimming lessons were subsidised</i></b></p>

Pupil Premium 2017 - 2018

		off site visits and swimming lessons		<b><i>through the Sports Premium Grant</i></b>
<b>£6,600</b> <b>Funding for extra curricular activities</b>	Extracurricular activity fund to support disadvantaged families to enable pupils to participate in offsite/ extracurricular activities.	To ensure that all pupils have the same access to before and after school sports clubs and are able to maintain a healthy lifestyle.  These may include music lessons, after school clubs or out of hours provision.	Extra-curricular fund to enable disadvantaged families to access before and after school clubs (paid clubs) or music lessons.	<ul style="list-style-type: none"> <li>• 3 of our pupil premium pupils attending music lessons performed in the Spring Concert. This boosted their self-esteem and confidence and allowed for further engagement with parents who attended the performance</li> <li>• 1 pupil attended a science club run by an external provider which was something parents would not have been able to afford.</li> </ul> <p><b><i>NB We have supported pupils with music lessons, NBLT sports clubs, Science club and paid dinner money owing for many PP children. This has allowed PP pupils to take part in a range of activities for free and has taken pressure off families to pay for expensive trips as well as day to day items such as providing school dinner.</i></b></p>

**Overview of planned expenditure**

## Pupil Premium 2017 - 2018

### Review

**19/37 = 51% of PP pupils access the learning mentor support**

**23/37 = 62% of PP pupils have some form of SEN**

**7/34 = 20% of PP pupils access support in Year 2 (and 100% of Year 2 benefit)**

**13/34 = 38% of PP children are accessing support in Year 6 (and 100% of Year 6 benefit)**

*(27/37 = 73% of PP children have had some form of intervention)*

**So far we have funded trips to Cadbury's world, the Year 6 residential and Baumanor Hall**

**We have supported pupils with music lessons, NBLT sports clubs, Science club and paid dinner money owing for many PP children**
