What is Pupil Premium?

Pupil Premium (PP) is a sum of money received by grant maintained schools in addition to their main school funding. It was introduced by the Government in April 2011 to help raise the attainment of our most disadvantaged pupils. The aim of the funding is to address any underlying inequalities between pupils of low income families and their peers and enable schools to support vulnerable children to make the best possible progress within school year on year.

The sum of money allocated to each school is calculated from the data submitted during the October and January Census returns. Each school must decide how their PP money is spent. This will depend, primarily, on the needs of the pupils but will also be influenced by the school's knowledge of past successes, the impact of previous interventions, the best use of resources and the influence of wider opportunities for pupils on their well-being and subsequent progress.

Each year the Government holds schools to account, via the 'Office for Standards in Education' (Ofsted), for how the additional PP funding has been spent and what the impact of the spending has been in terms of pupil outcomes i.e. achievement, progress and well-being of PP children. The School's Governing body, therefore, is required to monitor the spending and subsequent impact of PP spending, throughout the year, and Parents must be informed about how PP money is being spent in their child's school via, for example, the school website.

N.B If you feel that you may be eligible for PP funding for your child please make enquiries at the school office where they will be happy to help.

Weddington Primary School – Pupil Premium Statement 2018/2019

At Weddington Primary School we are committed to using our Pupil Premium funding to support disadvantaged pupils so that they can achieve their best possible outcomes. We offer ‘tailored and specific support’ to each individual child.

Every child, every chance, every day 😊

Breakdown of Pupil Premium Funding allocated for 2018/19			
(Pupils on roll = 414)	Current Number in School	Funding Allocation per Child	Total
Number of pupils eligible for pupil premium funding/pupil premium plus	46	£1320	£60720
Number of Children who are Looked After	3	£2300	£6900
Children Adopted From Care	0		
Service Children	5	£300	£1500
Total	53 (12%)		£69,120

Main barriers to educational achievement faced by pupils eligible for pupil premium at school

The main barriers to educational achievement are:

- Social and emotional wellbeing
- Parental engagement and support
- Access to enrichment opportunities such as music lessons, school trips/visits and sports clubs

Our Pupil Premium Strategy

At Weddington Primary School we use the pupil premium grant to raise attainment and maximise achievement through a range of approaches which are funded/partially funded by the pupil premium grant. These include:

- Additional classroom and lunchtime support for children with social and emotional barriers and/or SEN;
- Teacher and teaching assistant led intervention and booster groups for pupils to reach expected levels or reach greater depth;
- School trips fund to enable disadvantaged pupils to access offsite activities;
- Extra-curricular funding to enable disadvantaged pupils to attend before and after school provision and clubs

In 2018/19 we aim to spend the PP funding in the following way:

Expenditure	Description	Desired Outcome	Intervention/nature of support	IMPACT/ How we will measure (July 2018)
£19,345 3.5 days per week SENDco time	<ul style="list-style-type: none"> • Targeted support for SEMH and Social Skills • Lunchtime support for 	<ul style="list-style-type: none"> • Attendance of PP pupils in line with non-pupil attendance figures • No PP pupils excluded • Behavior incidents at lunch 	<ul style="list-style-type: none"> • Monitoring of attendance and punctuality of all PP pupils • Supporting pupils who find coming into school difficult • one-to one/small group 	<ul style="list-style-type: none"> • Attendance and punctuality • Number of exclusions • % of pupils accessing support • Feedback from EH process • Number and nature if incidents
£11,046
