Danni

I'm really proud of our school and our community in Weddington and I would really like the opportunity to join the Governors and give something back. I have two children, Olivia who is in year 1 and Imogen who will be starting school in September. I am keen to support our school and to ensure that every child has access to the experiences and opportunities that they deserve.

I feel that I have a range of professional skills and experiences that can make a positive contribution. I currently work in PR and Communications at Jaguar Land Rover and have previously worked in the Public Health and Communications teams at two local authorities. I'm confident working on finances and have experience managing budgets in excess of 2 million. In that past I have led on Communications and Engagement projects for Coventry City Council – ensuring that the voice of the public was heard, promoting decisions and publicising events.

If selected for the role I will work to deliver the best for our school. I will ensure that the voice of parents and students is heard in the way that we run our school and that decisions made by the Board of Governors are fair, transparent and communicated appropriately.

DECIDE WHO YOU WOULD LIKE TO NOMINATE AS
OUR NEXT PARENT GOVERNOR. THERE IS ONE
POSITION AND EACH FAMILY CAN VOTE ONLY ONCE.

Have you ever wanted to have a voice in the decisions that shape our children's education and school experience? I know I have and that's why I'm stepping forward as a Parent Governor – to contribute to the ongoing success of our school and to represent the views of parents like you.

As a parent of 2 young girls (one in Year 2 and the other due to start reception in September), I've mastered the art of negotiating bedtime, fishing toys from the toilet, and explaining why shoes are not optional before school. I figure if I can tackle that, I'm well prepared to represent your views and ensure Weddington Primary School continues to thrive.

What can I bring to the role?

A fresh perspective, a willingness to ask the awkward questions and a commitment to making sure every child gets the best possible education support they deserve. Professionally, I've managed budgets, coordinated teams and survived endless Teams calls. I've attended more therapeutic parenting courses than you can ever imagine and have a level 2 qualification in Understand Autism. Personally, I can bring enthusiasm, curiosity, and a knack for finding the silver lining, even on a rainy sports day (and let's face it, we're not short of those).

I'm passionate about building a school community where everyone feels heard – parents, staff, children alike. Plus, I make a mean cup of tea, so I'll keep those governor meetings fuelled and productive 😊

If you want a representative who's approachable, a little quirky, and determined to make a difference, I'd be honoured to have your vote. Together, let's keep making Weddington Primary School a place where our kids learn, grow and occasionally come home with glitter in their hair.

Yours in partnership,

Hayley

Stacey

Hi! I'm Stacey and as a parent of a child in Reception, I have a deep, long-term commitment to supporting the school's values and ensuring that it continues to provide a positive, nurturing environment for all pupils. I believe that by working closely with the school's leadership team and the wider community, I can contribute to maintain the high standards of learning and success of the school.

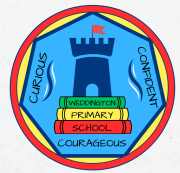

In my professional life, I have worked as a College Lecturer for nearly 13 years, where I have developed a variety of transferable skills including problem-solving, communication, and decision making. I believe these skills, along with my passion for education, will allow me to make a positive contribution and be valuable in the role as parent governor, where strategic planning, collaboration, financial oversight and decision making are essential. I am also accustomed to working within a team and understand the importance of listening to different perspectives to reach a balanced, informed decision.

As a parent, I have a vested interest in the success and well-being of the school and have lived in the local area my entire life, so have a clear understanding of Nuneaton's demographics and challenges. I also possess extensive knowledge of Safeguarding, behaviour management, Looked After Children as well as SEN and EHCP considerations. I believe this understanding gives me a unique perspective to bring to the governing body, ensuring that the views of parents are heard and considered when making important decisions.

I am particularly interested in contributing to the school's ongoing efforts to promote inclusivity, well-being, academic excellence as well as embedding the schools' values. I believe that every child deserves to feel supported and valued, and I would work hard to ensure that the school continues to create a safe and engaging environment where all students can thrive. Additionally, I am committed to supporting the school in its efforts to maintain and improve its resources, curriculum, and extra-curricular opportunities.

I am excited about the opportunity to contribute to Weddington Primary as a parent governor. I believe that by combining my professional skills with my personal commitment to the school's success, I'm confident that I can play a valuable role in helping the school continue to thrive. I would be honoured to support the staff, children, and parents in ensuring that the school remains a place of excellent learning and development for all.
